

AMTAS Autumn 2006 Meeting
October 19, 2006
Edmonds Conference Center, Orchid Room

AGENDA

8:00–8:30 AM	Registration & Coffee	
8:30–8:40 AM	Welcome & Introductions	Mark Tuttle, AMTAS Director
8:40–9:00 AM	FAA-sponsored Centers of Excellence Program	Pat Watts, FAA
9:00–9:20 AM	Recent AMTAS Activities and Future Plans	Mark Tuttle, AMTAS Director
9:20–10:00 AM	Research Projects I	
9:20–9:40	• Course Development: Maintenance of Composite Aircraft Structures	Charles Seaton, Edmonds CC
9:40–10:00	• Improving Adhesive Bonding of Composites through Surface Characterization	Brian Flinn, UW MSE
10:00–10:20 AM	Coffee Break	
10:20—11:20 AM	Research Projects II	
10:20–10:40	• The Effect of Surface Treatment on the Degradation of Composite Adhesives	Prashanthi Pothakamuri for Lloyd Smith, WSU
10:40–11:00	• Combined Global/Local Variability and Uncertainty in Integrated Aeroservoelasticity of Composite Aircraft	Eli Livne, UW A&A
11:00–11:20	• Reliability-based Damage Tolerance Design	Kuen Lin, UW A&A
11:20–11:30 AM	Next Steps	Mark Tuttle, AMTAS Director
11:30 AM	Adjourn
